FACTUAL ALLEGATIONS

20. Plaintiff ELNER ALMENDARES was employed as a butcher while performing related miscellaneous duties for the Defendants, from in or around November 2018 until in or around December 2021.
21. Plaintiff ELNER ALMENDARES regularly worked seven (7) days per week during his employment with the Defendants.
22. During the relevant statutory period, Plaintiff ELNER ALMENDARES regularly worked a schedule of shifts: beginning at approximately:
 - i. 7:00 a.m. each workday and regularly ending at approximately 5:00 p.m., or later, seven (7) days per week from in or around November 2018 until in or around December 2018;
 - ii. 7:00 a.m. each workday and regularly ending at approximately 8:00 p.m., or later, seven (7) days per week from in or around January 2019 until in or around December 2019; and
 - iii. 7:00 a.m. each workday and regularly ending at approximately 5:00 p.m., or later, seven (7) days per week from in or around January 2020 until in or around December 2021.
23. Thus, Plaintiff was regularly required to work approximately seventy (70) hours each week from in or around November 2018 until in or around December 2018; approximately ninety-one (91) hours each week from in or around January 2019 until in or around December 2019 and approximately seventy (70) hours each week from in or around January 2020 until in or around December 2021.
24. Plaintiff ELNER ALMENDARES was paid by Defendants a flat weekly rate of approximately:
 - i. \$850.00 per week for all hours worked from in or around November 2018 until in or around December 2018; and
 - ii. \$900.00 per week for all hours worked from in or around January 2019 until in or around December 2021.

25. Although Plaintiff regularly worked approximately seventy (70) hours each week from in or around November 2018 until in or around December 2018; approximately ninety-one (91) hours each week from in or around January 2019 until in or around December 2019 and approximately seventy (70) hours each week from in or around January 2020 until in or around December 2021, the Defendants did not pay Plaintiff at a wage rate of time and a half (1.5) for his hours regularly worked over forty (40) hours in a work week, a blatant violation of the overtime provisions contained in the FLSA and NYLL.
26. Additionally, Plaintiff ELNER ALMENDARES worked in excess of ten (10) or more hours per day approximately seven (7) days a week from in or around January 2019 until in or around December 2019, however, Defendants did not pay Plaintiff an extra hour at the legally prescribed minimum wage for each day worked over ten (10) hours, a blatant violation of the spread of hours provisions contained in the NYLL
27. Upon information and belief, Defendants willfully failed to post notices of the minimum wage and overtime wage requirements in a conspicuous place at the location of their employment as required by both the NYLL and the FLSA.
28. Upon information and belief, Defendants willfully failed to keep payroll records as required by both NYLL and the FLSA.
29. Additionally, Defendants willfully failed to provide Plaintiff with a written notice, in English, of his applicable regular rate of pay, regular pay day, and all such information as required by NYLL §195(1).
30. Upon information and belief, Defendants willfully failed to provide Plaintiff with any wage statements, upon each payment of his wages, as required by NYLL §195(3).
31. As a result of these violations of Federal and New York State labor laws, Plaintiff seeks compensatory damages and liquidated damages. Plaintiff also seeks statutory interest, attorneys' fees, costs, and all other legal and equitable remedies this Court deems appropriate.

COLLECTIVE ACTION ALLEGATIONS

32. Plaintiff brings this action on behalf of himself, and other employees similarly situated as authorized under the FLSA, 29 U.S.C. § 216(b). The employees similarly situated are hereafter, the "Collective Class."

33. Collective Class: All persons who are or have been employed by the Defendants as butchers or any other similarly titled personnel with substantially similar job requirements and pay provisions, who were performing the same sort of functions for Defendants, other than the executive and management positions, who have been subject to Defendants' common practices, policies, programs, procedures, protocols and plans including willfully failing and refusing to pay required overtime wages.
34. Upon information and belief, Defendants employed approximately 10 employees or more during the relevant statutory period who Defendants subject(ed) to similar unlawful payment structures that violated applicable law.
35. Defendants suffered and permitted Plaintiff - and the Collective Class - to regularly work more than forty hours per week without appropriate overtime compensation.
36. Defendants' unlawful conduct herein has been widespread, repeated, and consistent.
37. Defendants had knowledge that the Plaintiff and the Collective Class regularly performed work requiring overtime pay.
38. Defendants' conduct as set forth in this Complaint, was willful and in bad faith - and has caused significant damages to Plaintiff, as well as the Collective Class.
39. Defendants are liable under the FLSA for failing to properly compensate Plaintiff, and the Collective Class, and as such, notice should be sent to the Collective Class. There are numerous similarly situated current and former employees of Defendants who have been denied overtime pay and proper minimum wage pay in violation of the FLSA and NYLL, who would benefit from the issuance of a Court-supervised notice of the present lawsuit, and the opportunity to join the present lawsuit. Those similarly situated employees are known to Defendants and are readily identifiable through Defendants' records.
40. The questions of law and fact common to the putative class predominate over any questions affecting only individual members.
41. The claims of Plaintiff are typical of the claims of the whole putative class.
42. Plaintiff and their counsel will fairly and adequately protect the interests of the putative class.
43. A collective action is superior to other available methods for the fair and efficient adjudication of this controversy.
